

Splash 'n Dash COVID-19 Rules and Procedures

ALL BUILDING USE WILL BE IN LINE WITH OFFICIAL PENNSYLVANIA PUBLIC HEALTH POLICY.

Everyone shall wear a mask or other face covering which covers both nose and mouth while in the building. This applies to the majority of our classes. The only exception to this is **if only one student is in running in ring** at a time, the instructor **may** take a poll of all students in the class to allow the individual running a dog in the ring to slide down or pocket their mask, with mask replaced prior to exiting the ring.

Clean gloves will be required for anyone handling SND equipment.

Hand sanitizer (dispensed from a touch-less dispenser) is located to your right as you enter and will be required for everyone touching the door handle or using the building.

There are now separate doors for building entry and exit. Entry is via the entrance off the parking lot; exit is via the doors facing Pugliano's building.

Chairs must be positioned at least 6' apart. Bring your own chair or if you use a SND chair, sanitize the armrests (and any other portion of the chair you may have touched) before you leave.

Interior occupancy will be limited to 15 people in the building at one time, spaced 6' apart. If there are more than this number present, please take the initiative to move outside to socialize or while waiting your turn to participate in an event.

If you use our kennels, sanitize by spray with diluted bleach solution and wipe thoroughly with paper towels. If you bring your own kennel, remember to bring a tarp or pad to protect our floor.

BY SIGNING UP FOR CLASS OR OTHERWISE ENTERING OUR FACILITY YOU ARE AGREE TO FOLLOW THIS POLICY
