Trial Games

DISCLAIMER

Judge's briefing on day of trial supersedes any previous briefings. The judge will discuss in more detail the game techniques.

Full House

Full House is a game of timing in which the dog is obligated to collect the elements of the full house, earn as many other points as possible, and end time without losing points on a time penalty. Full House is scored Points, Less Penalty, Then Time. ER6

Penny Arcade

Penny Arcade is a dog's choice point accumulation game. The course contains one or more "arcade games" which grant performance point multipliers allowing for high scores for the skillful and intrepid. Penny Arcade is scored Points, Then Time. ER2

In and Out

In and Out is a comprised of three distinct elements, or loops: An inner loop; and outer loop; and a combined in-and-out loop. The final in-and-out loop may be repeated, for points, until the expiration of time. The purpose of In and Out is to score as many points as possible. A dog that faults a loop must repeat that loop. In and Out is scored Points, Then Time. ER2

Barrel Racing

Barrel Racing is a unique game that uses "barrels" as an agility obstacle. The handler is required to send his dog around tunnels in a pattern consistent with the barrel racing of classic American rodeo. This game is probably not a good choice as a game of competition for titling purposes because of the non-standard obstacles. Barrel Racing is scored Time, Plus Faults. ER5

For more information on these games the *Book of Agility Games* is available on the TDAA web site at <https://k9tdaa.com> Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.

HEIGHT DIVISIONS

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. TDAA height divisions are:

- 4" measured height: dogs measuring 8" or less at the withers
- 8" measured height: dogs measuring 12" or less at the withers
- 12" measured height: dogs measuring 16" or less at the withers
- 16" measured height: dogs measuring 20" or less at the withers.

A 2" actual jump height is available for 4" measured height dogs with a jump height exemption.

ALL DOGS WITHOUT A PERMANENT HEIGHT CERTIFICATE must be measured prior to the first day of competing at this trial. Please arrive early enough to accommodate measuring.

TWO MEASUREMENTS BY TDAA JUDGES are needed to show a dog in the TDAA without requiring measurement.

FOR EXHIBITION ONLY (FEO)

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

DISABLED HANDLERS: A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

HOW THE FAST TRACK MOVE-UP PROGRAM WORKS

This may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II enough points in Games I to qualify for Games III. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for a previous trial.

Entries

There is no closing date for this trial. Entries may be canceled, altered or substituted up to 8:30 AM the Day of Show. Day of Show Entries **WILL BE** accepted **up and until 8:30 AM** each morning. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial.

Entries will not be accepted without fees. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry forms. One dog per entry form.

Photocopied entries, without the signed TDAA Agreement attached are NOT acceptable. Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the Trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25.00 service charge for any returned check(s). Subsequent returned check(s) from the same Exhibitor may result in their being put on a CASH ONLY basis.
